Track:

Due to extremely bad weather conditions, the track is same as the Hungarian 2009. XCO National Championship's track.

Length: 5,95 km

Ascent: 270 m

For this year's race, we planned a new track, which is a mixture of the 2005's and 2009's Hungarian XCO National Championship's tracks. At this time we couldn't finished it, because of the extremely bad weather conditions at the last two months. You can find the latest informations about the track at the race's official website.
